

Pure Cold Group Environmental Policy Statement

The Pure Cold Group is committed to protecting the environment, by designing and promoting Energy Saving & Environmentally Friendly Equipment. Our policy is:

- To minimise our effect on the environment and to commit to continually improve our procedures and processes to further reduce our environmental impact.
- To comply, with all relevant environmental legislation and regulations as a minimum.
- To establish environmental objectives and to monitor our progress towards these targets.
- To train our employees to understand how they can reduce environmental impact.
- To communicate our policies, objectives, progress and achievements to all employees and other interested parties.
- To work towards improving the environmental standards in the countries in which we operate.
